RE: **Expedited Final Program Review Determination Letter**
OPE ID: 02521500
PRCN: 201130927549

Dear Mr. Gold:

The U.S. Department of Education's (Department's) San Francisco/Seattle School Participation Division conducted a program review of Lamson College's administration of the programs authorized by Title IV of the Higher Education Act of 1965, as amended, 20 U.S.C. §§ 1070 et seq. (Title IV, HEA programs), for the 2009-10 and 2010-11 award years. The findings noted during the program review were administrative in nature, and did not identify any monetary liabilities. Lamson College closed on December 19, 2012, after conducting an orderly teach-out and school closure. Therefore, we are issuing this Expedited Determination Letter (EDL) to close-out the program review.

Please note that if Lamson College was to ever reapply for eligibility to again participate in the Title IV programs, it must provide evidence that it meets all the regulatory requirements under the Title IV programs. Lamson College must also not have any outstanding debts to the Department as a result of any future closed school student loan discharges.

Please note that this EDL may be subject to release under the Freedom of Information Act (FOIA) and can be provided to other oversight entities after this EDL is issued.

Record Retention:

Program records relating to the period covered by the program review must be retained until the later of: resolution of the loans, claims or expenditures questioned in the program review; or the end of the retention period otherwise applicable to the record under 34 C.F.R. §§ 668.24(e)(1), (e)(2), and (e)(3).
